Thank you for your donation to the Tug McGraw Foundation and for helping us bring the "Ya Gotta Believe" spirit to New York City. Like Tug McGraw, we believe that as a team we can make brain tumor patients' lives longer and richer. Your support will fund research that will improve the quality of life for brain tumor patients.

I hope that you will keep checking the Tug McGraw Foundation web site:

Here you can be updated regarding my progress with the ING New York City Marathon as well as find out other exciting news and events that the Tug McGraw Foundation has to offer.

Your support means a great deal to me and I am very happy to have you on my team!

Best,

NOVEMBER 2-4 2007
