## Calling all cars!

On May 30, 2009, we are hosting a *Kickoff to Summer Car Show and Cookoff*. Show off your car and help us raise money for Brain Cancer Research.

Working Together For a Cure is an organization created by the friends and family of Ralph Hellermann. In May 2007, at the age of 52, Ralph died of brain cancer. He was an amazing man who spent much of his time working on cars, motorcycling and boating. He attended and participated in many car shows. Ralph's pride and joy was a 1972 SS Chevelle, which he restored.

The Kickoff to Summer Car Show will take place on Saturday, May 30 at Sauk River Park in Melrose, MN. The entry fee is \$10 per car. This year, we will have the following categories: 1949 and under, 1950-70, 1971-90, Motorcycles and Trucks. Trophies will be awarded in each category and Best of Show. The gates will open at 7am for show cars. We will also have space available for a swap meet. There is a \$10 fee per space.

While you're here, you'll also enjoy music by Sweet Siren, a bean bag tournament, silent auction and taste-testing at the Turkey and Rib Cookoff. (We are also looking for cookoff contestants.) There will be food stands by the Lions Club and Dairy Queen.

Brain cancer has taken the life of our dear friend, and is impacting many people's lives everyday. In supporting Brain Cancer Research, we are standing up against this awful disease, pushing for a cure. Please spread this information throughout your club. We look forward to kicking off summer with this fun-filled day of cool cars and tasty BBQ!

We look forward to seeing you,  
Working Together For a Cure Committee
