

“Hits for Tug’s Team”

The St. Mark’s “Spartans” & Salesianum School “Sallies” baseball teams (Varsity, JV, and Freshman squads) are asking for your help in their effort to support the Tug McGraw Foundation (TMF).

The TMF was established by Tug McGraw (late former pitcher with the Phillies and Mets) in 2003 to raise funds to enhance the quality of life of children and adults with brain tumors and their families by stimulating and facilitating research that addresses the physical, social, emotional, cognitive, and spiritual impact of the disease. Funding will be directed to the Tug McGraw Center for Neuro-Oncology Quality of Life Research at Duke University Medical Center and to other research and medical institutions through a competitive grant program. You can learn more about the TMF by going to www.tugmcgraw.com.

How can you help? Well, here’s how: donate a specific amount of money for each hit the St. Mark’s Spartans or Salesianum Sallies baseball teams have during the 2007 season and playoffs, or simply donate a flat amount. Your contribution will go toward a great mission and is, of course, tax-deductible.

Keep the ball rolling in the right direction with a great response to a great cause.
