

## Team McGraw Youth Partnership Program

---

Dear Friends,

Thank you for your interest in the **Team McGraw Youth Partnership Program for Brain Cancer Awareness**. The program was created by the Tug McGraw Foundation to form collaborative partnerships with youth organizations and involve young athletes in the fight against brain cancer before he lost his own battle with the disease in January of 2004.

The program allows partnering organizations to purchase the Foundation's white and red 45YGB bracelets at a reduced cost and use them for the organization's own fundraising activities. Organizations must purchase a minimum of 50 bracelets to participate; there is no maximum.

The 45YGB bracelet is a small but powerful way for people to show they care about the adults and children who face the daily challenges of brain cancer. We hope that people will wear them with the same "Ya Gotta Believe" spirit that Tug McGraw took to the baseball diamond for 20 years.

I have enclosed a program overview which outlines its guidelines, and an application. Completed applications can be returned to the Foundation office at 1303 Jefferson Street, Suite 100B, Napa, CA 94559 by regular mail; can be faxed to (707) 255-1926; or emailed to [info@tugmcgraw.org](mailto:info@tugmcgraw.org). Upon approval of the application, the Foundation will accept a completed order form.

We would be happy to answer any questions you may have about this exciting program. We will work with you to craft a successful fundraising campaign that helps you to achieve your goals and at the same time help to fulfill Tug McGraw's vision. Please email us at [info@tugmcgraw.org](mailto:info@tugmcgraw.org) or contact our office at (707) 255.1884.

Thank you again for your interest and we wish you the best of luck in your programs and activities. Ya Gotta Believe!

Sincerely,

Jennifer Brusstar
